College anthem

Source of knowledge and awareness;
Fruits of Rishis' prayer;
The call of the present to ages past.
Springs are gushing out from beneath

Let this danishgah live long!
Let its benediction last for ages!
Let love-candle kindle this niche!
Let everybody feel joy here!
Springs are gushing out from beneath.

This is the mirror reflecting Kashmir;
Old dreams have found their meaning now;
May God grant good luck to us!
We have to build the coming tomorrow;
Prosperity is waiting with arms wide.
Springs are gushing out from beneath.

This is a bouquet within the bosom of Sadr;
This is Nunda Rrshi purified by Lala's milk;
Reshmol has anointed mystic scent;
This is a pearl of dew on a lotus leaf;
This is Zaina Shah's gratitude to us.
Springs are gushing out from beneath.

This is rendezvous of Kong and Rasul Mir;
Ecstasy of Mehmood's mystic heart;
Looking for Iqbal and his ancestors;
Eagle flying over the peaks;
Bulwark of our possession and pride.
Springs are gushing out from beneath.

Here lies the fountain of Veth and the secret of ocean;
Here lies the intoxicating symphony of the Renb;
This is the symphonic companion of Veshu and Ahrabal;
Here Ladr gains grace to its passage;
Look! How graceful is the Panchaal.
Springs are gushing out from beneath.

It generates thought, adds life to the feeling buried;
Here shines the pearl on the foil of darkness;
Say, it is heart and head in unison;
A single word with myriad meanings;
Here the mysteries find their resolution.
Springs are gushing out from beneath.

It gives me immense pleasure to welcome all the students to the academic year 2019-20. Our college enjoying "College with Potential for Excellence" status and accredited and placed at Grade-A by NAAC, is in its seventy ninth year of voyage, excelling in academics and infrastructure.

Owing to its prime and unique picturesque location, the College is the cynosure of all eyes and presents an ideal ambience for teaching and learning. We offer seven programmes at UG level : B.A. (General)/B.A. Hon's (English)/B.Sc./ B.Com./BBA/BCA and adding one more to the basket; B.Sc. IT from the current academic session, imparting teaching learning in thirty two disciplines, besides two vocational courses; Domestic Data Entry Operator and Travel Consultant under RUSA. We have a dedicated faculty who open the door for the students but at the same time expect them to enter themselves. There is no force more paralyzing than the fear of failure. We mould our students to be self confident and pragmatic such that when they enter life after their studies, they face various challenges with courage, conviction and success.

The students must exhibit exemplary behavior both inside and outside the college. Directly or indirectly, knowingly or unknowingly they should in no way bring disrespect to the college of their study. I am sure that our students will always strive to uphold the dignity of our college and keep its flag ever flying high. Our state is known for its rich values, culture and heritage. I impress upon all our young learning community to emerge as her proud and worthy citizens.

As we step in new academic year, filled with hope and dream of scaling new heights, I would like to reiterate the importance of few things that we have to keep in mind. Parents should remember that children should not be forced but should be guided properly to achieve whatever the goals they may have in their minds in any easy and pleasant manner, so that we may be able to discover the particular touch of genius in each one of them. The purpose of education is to teach our children to think and develop a capacity to reason out facts. Students should keep in mind the importance of planning and prioritizing their time and effective use of it which are essential to achieve success.

(Continued on page 4)

With experienced and dedicated faculty and excellent infrastructure, our college helps students to realize their goals in life. I encourage all students to take advantage of the opportunities provided by the college and involve themselves in all the extracurricular activities that are offered. The overall development of the mind and body is a sign of healthy and complete development.

Hard work, dedication and perseverance are the most important traits in a person that lead to success. The future belongs to you; your need, therefore, is to prepare yourself for an active participation in the world. This participation demands that you become well informed and hence develop yourself like a pioneer and ultimately grow as responsible men and women.

I urge our teachers to understand the nuance of teaching in the demanding ICT scenario. Unless we improve the quality of teaching, both in content & pedagogy, our students cannot improve the standards of learning. The potential and role of ICT in teaching-learning needs to be optimized.

Our college is recognized as a state leader in teaching learning, student relationships and well being. We create a safe social and physical environment that helps all our students learn and succeed.

Our emphasis is on developing and maintaining positive relationships and greater access to opportunities in each student chosen field of interest. We encourage all our students to develop high expectations about themselves, their work and their behavior which is an expression of our values of personal best, integrity, respect and responsibility. All students access a wide range of subjects in structured and sequential programmes that enhance and extend their capabilities.

"We cannot always build the future for our youth, but we can build our youth for the future."

Wishing you all the best!

5. To focus on societal development, research and extension viable to the contemporary issues.

College Profile

The Government Degree College Anantnag, is a premier educational institution of South Kashmir. It was established in 1950 as an intermediate college in the heart of Anantnag town. Later, it was shifted to its present location which had been a rest house of the Maharaja.

The college has flourished and distinguished itself as one of the leading higher educational institutions of the country under the able guidance of various educationists, academicians and administrators. Since its inception the college has been producing a large human capital that has been serving the society in various capacities. The availability of quality teaching-learning atmosphere with allied facilities was recognized by the national autonomous accreditation body NAAC Bangaluru, in the year 2012 and was reaccredited with grade “A” [CGPA 3.03]. In recognition of its huge potential the college has been granted “College with Potential for Excellence (CPE)” status by the University Grants Commission (UGC) in the year 2016.

The college is affiliated to the University of Kashmir and is recognized under section 2(F) and 12(B) of the UGC Act of 1956.
