

Career Counselling Cell

Today on 28th of March, 2018 Career Counselling Cell of the college organized a special lecture *Socio-psychological counselling of students* by Prof Arshid Majid Rather (Assistant Professor Department of Sociology). The professor reflected upon the direly needed psychological counselling of the students. He touched all aspects of student life and its prospects and challenges. The career orientation vis-à-vis handling the day to day stress of student life was duly addressed in the lecture. The lecture ended with an interaction session with the students.

The lecture was graced by the presence of worthy Principal Professor B.A Rather who addressed the students on the orientation of technological tools and smart work. He boosted the occasion in his remarks by extending the full support to Career Counselling Cell in future. The lecture was hosted by Dr Nazar Ul Islam, Convener Career Counselling Cell and concluded with the vote of thanks by Professor Iftkar Bashir.
