

The Debates/Seminar Committee organized One-Day Workshop on “Disaster Management in J&K” on 17/03/2018 in the college Conference Hall. Faculty IMPA Srinagar was the resource person who had a power point presentation on the day. The resource person divulged on pros and cons of disaster management and its current status at national as well as state level. The speaker gave a demonstration that how we should be prepare for any natural eventuality and inculcate basic trainings among students to face natural disasters. On the occasion the college Principal Prof. B. A. Rather impressed upon the audience to sensitize the current generation to face any natural disasters. Both the faculty as well as the students from different departments of the college attended the workshop. Dr. M. Younes Bhat hosted the stage, and Dr. Nazur-ul-islam presented vote of thanks on the occasion.
