

# Department of Biotechnology Government Degree College Anantnag Is Organising A Webinar

## “COVID-19 VACCINES - A WAY FORWARD”

on

**13-10-2021 (Time: 12:00 NOON)**

### ABOUT THE WEBINAR

The unwavering power of science unfurled its potential in the form of vaccines developed against Corona Virus that brought the world to a standstill with approximately 45.5 lakh lives lost globally. The tryst was far from over, as the distrust and reluctance of masses fueled by unscientific beliefs posed even a bigger threat to the very existence of the human race. Now the challenge to convince the people is yet a feat to achieve. With this backdrop, need for this webinar has been felt which might help to dissipate many apprehensions of people associated with Covid-19 Vaccination.

**PATRON**  
Prof. Muzaffar Ahmad Bhat  
Principal, GDC Anantnag

**RESOURCE PERSON**  
Dr. Enna Dogra Gupta  
Scientist C  
ICMR, New Delhi
