

**Government Degree College, Anantnag  
Department of Biotechnology**

Dated - 19/06/18

**NOTICE**

It has been noticed that only a handful of BG 1<sup>st</sup> semester students have been attending the theory classes of biotechnology, that too infrequently. So far as the practical classes are concerned, apart from the Monday-Tuesday group, the other two groups have not yet started the practical proceedings. Despite of all the counseling efforts by the department, attendance has not improved.

Therefore, as a last resort, all the BG 1<sup>st</sup> semester students with biotechnology as one of the core subjects, are once again informed to attend their theory and practical classes regularly, failing which we have no other option than to initiate action against the defaulters as warranted under the prevalent norms.

  
Head 19/6/18

Department of Biotechnology
