## College anthem

Source of knowledge and awareness;  
Fruits of Rishis' prayer;  
The call of the present to ages past.  
Springs are gushing out from beneath

Let this danishgah live long!  
 Let its benediction last for ages!  
 Let love-candle kindle this niche!  
 Let everybody feel joy here!  
 Springs are gushing out from beneath.

• This is the mirror reflecting Kashmir;  
Old dreams have found their meaning now;  
May God grant good luck to us!  
We have to build the coming tomorrow;  
Prosperity is waiting with arms wide.  
Springs are gushing out from beneath.

This is a bouquet within the bosom of Sadr;  
This is Nunda Rrshi purified by Lala's milk;  
Reshmol has anointed mystic scent;  
This is a pearl of dew on a lotus leaf;  
This is Zaina Shah's gratitude to us.  
Springs are gushing out from beneath.

This is rendezvous of Kong and Rasul Mir:  
Ecstasy of Mehmood's mystic heart;  
Looking for Iqbal and his ancestors;  
Eagle flying over the peaks;  
Bulwark of our possession and pride.  
Springs are gushing out from beneath.

Here lies the fountain of Veth and the secret of ocean;  
Here lies the intoxicating symphony of the Renb;  
This is the symphonic companion of Veshu and Ahrabal;  
Here Ladr gains grace to its passage;  
Look! How graceful is the Panchaal.  
Springs are gushing out from beneath.

It generates thought, adds life to the feeling buried;  
Here shines the pearl on the foil of darkness;  
Say, it is heart and head in unison;  
A single word with myriad meanings;  
Here the mysteries find their resolution.  
Spirits are gushing out from beneath.

GDC Anantnag, one of the oldest and finest in Jammu & Kashmir, welcomes its incoming students for the year **2020**. With a vast range of offered courses at the undergraduate level and upcoming courses at the graduate level, the possibilities here are endless!

A faculty comprised of young and experienced members with strong credentials, a fully automated library, a gym, a vast playing field, a state-of-the-art auditorium, a hostel facility – everyone and everything is at the service of the seeking student. We expect the students to make full use of, and benefit from all resources while we, at our end, strive to upgrade our infrastructure to make it as best as we can. We plan to upgrade more classrooms to make them high-tech; two new buildings for academic and extra-curricular activities will soon be gracing our campus and we also plan to extend the existing playing area – we are thinking for the day after tomorrow!

Mediocre targets make mediocre people. I wish to urge the incoming students to come in with high targets set for themselves. To dream big; to never lose focus; and to never, never accept one's self as one in a pile of ordinary souls!
