### **ABOUT THE CONFERENCE**

The Department of Zoology, Government Degree College is hosting a two-days national conference on "Science Popularization, Innovation, and Extension" on 2nd–3rd November, 2022. The aim of the National Conference is to develop scientific temperament, provide community members with the ability to make informed decisions, and encourage scientific thinking. The conference will provide aspiring scientists, scholars, faculty members & students with a venue to explore the principles of science and innovation, as well as their practical applications. This programme will bolster the NEP-2020 initiative to popularise science and technology in colleges, encourage aspiring scientists to assume leadership roles in science and technology for the benefit of society as a whole, and improve the culture of collegiate research through motivational science speeches and hands-on instruction.

### **ABOUT THE COLLEGE:**

Government Degree College Anantnag, one of the largest colleges of northern India, was established in 1950 as an Intermediate College. The college was Accredited by NAAC in 2005 and then in 2012 to evaluate the academic standards of the institution conferring college with B+ and A Grade, respectively. In a stride forward, the college was granted the “College with Potential for Excellence” (CPE) status by UGC in April 2016.
