Department of Botany

(GOVT. DEGREE COLLEGE ANANTNAG)

The department of Botany of the college organized a Herbal Plantation drive in the Herbal park on 25th March 2024 as part of ongoing week campus Plantation. The drive was aimed to enrich and augment the existing Herbal Garden with diverse medicinal and herbal plants which would serve as repository of gene bank and specimens for student demonstration.

Pertinent to mention that department has been enriching the garden on annual basis with an objective to cultivate diverse Medicinal and Aromatic Plants which otherwise grow on high altitudes of Himalayan
