

## Awareness Programme on occasion of Observance of International Year of Millets (27/5/2023)

As part of worldwide campaign to promote usage of millets and understand nutritional aspect of small seeded plants-Millets, an Awareness Programme was organized by the Department of Botany and Seed Technology in collaboration with the Department of Agriculture District Anantnag. The programme was held under the banner of G 20 India 2023 in commemoration of the celebration of the United Nations International Year of Millets 2023. The programme was conducted in the Department of Botany in which officials of the 'Department of Agriculture District Anantnag, staff of the Department of Botany, Department of Seed Technology and a sizable number of College students participated.

The programme commenced with a welcome address to the resource persons and participants by Dr. Mohd. Suliman Dar (Sr. Assistant Prof. Botany) who also provided a brief introduction on the theme. An elaborative and power point based presentation was given by the resource person on the theme of the programme which was followed by an interactive session in which different questions were put forth by students which were efficiently dealt with. The students were also given the information on how to register themselves in the [https:// dakshkisan.jk.gov.in](https://dakshkisan.jk.gov.in) under the DAKASH-KISAN learning management system. The programme concluded with a Vote of thanks which was put forth by Dr Zahoor Ahmad Wani, Assistant professor, Department of Botany.
