R E P O R T

On 25th July, 2022, the Government Degree College Anantnag, under the able direction of its esteemed principal, Professor Muzaffar Ahmad Bhat, and in collaboration with the JK Scientist Group, hosted the Summer Outreach Programme-2022, in which faculty and students from various semesters participated. Dr. Khalid Gull, Assistant Professor IIT Rourkela, Dr. Sumiah, Assistant Professor Prince Sultan Bin Abdulaziz University, KSA, and Burhan Farooqui, Researcher, ACTREC, Tata Memorial Centre, Mumbai, were invited guests from the JK Scientist Group. Dr. Ummer Rashid Zargar, Assistant Professor in the Department of Zoology, moderated the event.

The presentation began in the Conference Hall at 11:00 AM. Prof. Syed Javaid Hussain, Vice Principal, outlined the goals and objectives of JK Scientist Group and welcomed all guest speakers in his inaugural talk. Moreover, he emphasized the necessity of organising such a programme at the institution of higher education in order to expand outreach to the student body. After the keynote talk, the audience was shown a brief movie highlighting the recent accomplishments of the JK Scientist group. The moderator then introduced each of the guest speakers and panellists. In his remarks, the Chair of the JK Scientist Group, Dr. Khalid Gull, highlighted the various activities undertaken by the group for the benefit of the J&K student community (UT). Mr. Burhan Farooqi, the second speaker of the day, emphasised many scientific programmes for young aspirants, including Science spectrum and Science Clubs. The third speaker, Dr. Sumiah, provided an in-depth update on several national and international fellows and highlighted the application procedures for various fellowships worldwide.

Students and panellists then engaged in an in-depth interactive session. The invited specialists from JK Scientist Group extended their full support for giving the college students with suitable advice and mentorship. Professors Syed Javaid Hussain, Vice Principal, and Abdul Majeed Chalkoo, Head of the Department of Botany, presented tokens of appreciation to the invited guests. The presentation concluded with the remark that students will establish social platform connections with the JK Scientist Group to facilitate access to its different activities and programmes.

4. Anti-Plastic Drive at Railway Station Anantnag

Venue: Railway Station Anantnag

Date: 28th July, 2022

Organizers: Eco-Club, GDC Anantnag

Today on 28th July, 2022, Eco-Club in collaboration with Debates & Seminar committee Govt. Degree College Anantnag carried out an anti-plastic drive at Railway station Anantnag under the banners of "Van Mitra Volunteer Programme" of MoEF, "Azadi ka Amrit Mahotsav", and "Har Ghar Tiranga". At the venue people, railway staff and Shopkeepers around the area were sensitised about the harmful effects of plastic on human health as well as on environment as a whole. Besides the said area was made plastic free by Eco-club members and dust bins were installed at specified places. College Eco-club is highly thankful to worthy Principal for providing the logistics as and when such programmes are organised. We extend our sincere thanks to railway authorities who granted permission to organise the event in a hassle-free manner.

Organizers: Eco Club, Debate & Seminar Committee

- **Patron: Prof. Muzaffer Ahmad Bhat, Principal, GDC Anantnag.**
- Chief Organizer & Coordinator: Prof. Bahar Ahmed Mir (Convener) & Prof. Altaf Hussain Mir
- Co-Coordinator: Prof. Syed Javaid Hussain, Head Department of Zoology
- Eco Club Members

Guest Speakers: Dr. Ummer Rashid Zargar, Assistant Professor Deptt. of Zoology

REPORT

On 29th July, 2022, the Government Degree College Anantnag, under the able direction of its esteemed principal, Professor Muzaffar Ahmad Bhat, celebrated the 'International Tiger Day' & 'World Nature Conservation Day' with the overarching aim to aware students and faculty about the idea of 'TX2 Conservation Strategy' and its current status. All the faculty members of different departments and students participated in the event. The programme was celebrated under '**Van Mitra Volunteer Programme', Azadi Ka Amrit Mahotsav and Har Ghar Tiranga**'. The programme was significant in the sense that the significance of National Pride i.e. Royal Bengal Tiger which is spiritual and cultural icon for millions of Indians was discussed with the participants. The programme was moderated by **Prof. Bahar Ahmed Mir, Assistant Professor Botany.**

In his inaugural address, the Vice Principal, **Prof. Syed Javaid Hussain**, Head Department of Zoology highlighted the importance of International Tiger Day with present scenario. He underscored the need for holistic approach for the sustainable conservation of Tiger and other wild fauna across India. The Vice Principal briefly explained different conservation strategies with special focus on the current status. Prof. Syed Javaid Hussain further impressed upon the audience that faculty and students of higher education institutions should actively participate in the conservation strategies launched by the government.

The lead lecture was presented by **Dr. Ummer Rashid Zargar**, Assistant Professor Deptt. of Zoology. Dr. Ummer deliberated upon the background of tiger conservation in Indian context. He highlighted important features of Tigers that makes it so special and important in ecological system. He also presented his philosophical idea '**Why to Conserve Tiger**' for the common good of society. In-depth discussion was presented on the TX2 conservation strategy and other innovative strategies which are being implemented in recently years including Remote sensing, Drone technology and AI based technology for the conservation of this important animal. The speaker also highlighted the historic background to unravel the factors behind the decline of tiger population.

Key Take Aways from the programme are:

- Eco-centric approach is needed to conserve the tiger population in holistic way
- International collaboration is required to maintain the current status of tiger population in India
- Community based approach including the inclusion of tribal population in the conservation activity need to be implemented

- More funding need to be allocated for conservation purpose

In the end Speaker, **Dr. Ummer** explained the conservation strategy with the famous quote of George Bernard Shah,

‘When a man wants to murder a tiger he calls it sport; when a tiger wants to murder him he calls it ferocity’

The vote of thanks was given by Dr. Raouf Ur Rafiq, Assistant Prof. Department of Environmental Science
