**Event: Awareness Drive**

**Activity: Onspot Contest**

**Theme: 'Systematic Voters' Education & Electoral Participation (SVEEP)'**

**Date: 28<sup>th</sup> September, 2022**

In tune with the ongoing programs on “Systematic Voters’ Education & Electoral Participation (SVEEP)” in the institution, the Department of Biotechnology conducted an on-spot contest in the college campus on 28<sup>th</sup> September, 2022. Students were made aware of their voting rights and responsibilities, electoral procedure of our country, voting mechanism

and importance of the vote. The student enthusiasm and participation was unmatched given the uniqueness of the contest. Further, the instant felicitation of students added spark to the event. The department left the campus abuzz with awe.
