Dated 05/01/2022, Wednesday:- The Government Degree College Anantnag organised a state level webinar on the theme “Cyber Crime and the Ways to Prevent them” under the scheme called “Indian Cyber Crime coordination Centre (14C)”. The aim of the scheme is to deal with Cyber crimes in a coordinated and comprehensive manner. the objective of the Webinar was to create cyber awareness amongst teaching, non-teaching staff and students of J&K.

The resource person for the webinar was Dr. Hilal Ahmad Khanday, Assistant Professor Dept. Of Computer Science University of Kashmir, South Campus Anantnag. The speaker highlighted the importance of cyber knowledge and shared the basic information among all the participants. The speaker also shared some important awareness tips regarding the safe use of internet and other websites etc.

The programme started with an opening remark delivered by Mr. Ishfaq Manzoor Malik, Organising Secretary and Nodal Officer Cyber Jaagrookta Awareness followed by welcome address from Prof. Muzaffar Ahmad Bhat Principal and Head of the Institution. The session ended with a round of discussion and questions. The vote of thanks and concluding remarks were presented by the Coordinator of the Webinar Dr. Ummer Rashid Zarger.

The webinar was attended by around 60 participants.
