### REPORT

**Event:** Awareness Campaign against ill effects of Drug Abuse  
**Date:** 8<sup>th</sup> of September 2023  
**Organizers:** NSS units of GDC Anantnag  
**Venue:** Pahalgam Anantnag

On September 8th, 2023, NSS units of the College, under the able leadership of the esteemed Principal Prof. Muzafar Ahmad Bhat, organized an extension activity focused on raising awareness about the detrimental effects of drug abuse and the remedial measures available. This event took place in Pahalgam, Anantnag, and was conducted as part of the **Nasha Mukht Bharat Abhiyan** and **Gandhi Jayanti Celebrations**.

To facilitate this important initiative, NSS volunteers from the college, accompanied by NSS Programme Officers, were transported to Pahalgam in the college bus. The event commenced with an impactful awareness rally that traversed through the main market area. During the rally, the enthusiastic NSS

Volunteers passionately voiced slogans against drug menace and used posters and placards to educate the public about the harmful consequences of drug abuse. Following the rally, an interactive session was organized, allowing the volunteers to engage with local shopkeepers, drivers, and tourists. During these discussions, all stakeholders were sensitized to the adverse effects of drug addiction, and they were encouraged to actively participate in eradicating this menace from their communities. The volunteers also provided information about the various facilities and resources available through the District Administration of Anantnag to combat drug abuse. They emphasized the importance of reporting any cases of drug abuse in their localities and highlighted the presence of counselling and facilitation centres within the district.

To conclude the event on a positive note, refreshments were provided to the participating students before they were safely transported back to the college. This extension activity served as a significant step in raising awareness and mobilizing the community to combat drug abuse and work towards a healthier and drug-free society.
