The response from the students was overwhelmingly positive. Many park-goers joined the cadets in their efforts and appreciated their dedication to the cause. They expressed their support for the Swachh Bharat Abhiyan and pledged to be more responsible in maintaining cleanliness in public areas.

The visit to College parks by NCC cadets for the Swachh Bharat Abhiyan was a resounding success. It not only contributed to the immediate cleanliness of these

parks but also raised awareness among the public about the importance of cleanliness and hygiene. Such initiatives play a crucial role in building a cleaner and healthier nation. So it is the responsibility of the every citizen of India to keep their surrounding clean. Students were encouraged to maintain their surrounding clean. Thus NCC Cadets have initiated one steps towards- cleanliness”
We extend our gratitude to the NCC cadets for their hard work and dedication, and we hope that their efforts inspire others to actively participate in the Swachh Bharat Abhiyan for the betterment of our society and environment.
