Annexure II: Detailed Report of Student's and Teacher's Feedback of the Year 2022.

- I. On the basis of feedback submitted by the students, it is quite evident that almost all the teachers attended the classes regularly and punctually.
- II. On the basis of feedback report submitted by the concerned student's, it observes that majority of the teachers completes the syllabus of the course assigned to him/her within the time period specified in the academic session 2021.
- III. It is revealed from the responses submitted by the students that the majority of the student has the same opinion that teachers informs and conducts their various course layout on time.
- IV. As per the feedback submitted by the students, it is quite evident that teachers prepare well for the class assigned during the academic session 2022.
- V. The feedback received from the students shows that the concerned teacher has a very good communication skill which helps the students in the proper understanding of the content of the course.
- VI. The report shows that the teacher creates a healthy and good learning environment in the class by encouraging the students to ask questions for clearing the doubts regarding the content taught in the class.
- VII. As per the feedback report from the students, the teacher not only encourages the students to ask questions but also patiently listens and answers the questions posed by students to clear their doubts.
- VIII. As per the feedback report from the students, in order to create a healthy learning environment in the class, the teacher regularly checks during the class the understanding of the students regarding the content taught.
- IX. The teacher always encourages the students to participate in the classroom discussions to make the teaching learning more interactive and interesting as revealed by the feedback report from the students.
- X. As per the feedback report from the students, the teacher makes the classroom more interactive and creates the interest among the students regarding the subject taught by involving them in the discussions, encouraging asking questions.
- XI. As per the feedback report from the students, the teacher maintains a discipline in the class by adhering to the rules and regulations.
- XII. As per the feedback report from the students, the teacher in the class treats all the students equally without any discrimination against the gender, caste, religion etc.
- XIII. Most of the students declare that the teacher always remains available for them for any kind of assistance whether regarding it is about the course taught, career counseling etc.
- XIV. The feedback received from the student's shows that the teacher not only encourages the students to participate in different academic activities but also to participate in different extracurricular activities conducted by the college for the overall development of the personality.
- XV. The teacher besides using the traditional methods of teaching in the classroom also uses the new methods of teaching and learning like new software's, digital tools and innovations.

Annexure IV: Detailed Report of Alumni's Feedback of the Year 2022.

1. The alumni of the college submitted a detailed feedback, which highlights the fact that the courses taught in different programmes are as per the standards set by the affiliating University and NEP-2020. The courses are of primary interest to the students, and fulfill the requirements of both academia and industry.
2. The alumni feedback report concluded that the courses (like Welding Technology, Food Technology, amongst others) will enhance the skill-sets of the students, thus increasing their employability.
3. Additionally, the feedback report also shows that the syllabus of the different courses is up to the standard and meets the NEP-2020 guidelines, and is according to the current industry/market demands, thus will enormously help the students to fetch jobs.
4. The courses undertaken by the students in the college are highly relevant to the needs and requirements of the market and have great application in the day-to-day life of the students.
5. The alumni feedback also reflected the fact that the courses are taught according to the syllabus that is drafted as per the need of the job, and the alumni were able fetch the jobs in the market.
6. The alumni in the feedback highlighted that they had a remarkable teaching-learning experience in the college, and that experience has paved way for them to achieve great heights in their respective fields of working.
7. The report submitted by alumni shows that the college library has sufficient number of good books catering to the needs of all the students in different programmes, and new/latest editions are available in the library to meet the evolving and changing needs/requirements of the courses and programmes.
8. The alumni were of the view, as reflected by feedback report, that the college has excellent infrastructure comprising not only of classrooms and laboratories, but state-of-the-art equipment/machinery that allows the teaching-learning process to be of formidable everlasting experience.
9. The alumni report shows that college conducts sufficient number of experiential field tours/visits in diverse streams, and also industrial visits for the project work, practical orientation of the students.
10. The report analysis shows that the college offers an excellent combination of more than 370 courses in more than 30 different programmes.
11. The report also shows that there is need for little modification of the syllabi of the courses taught to make them more relevant and job oriented, however it needs to evolve, and for that a college committee should be in place.

12. The alumni feedback report also shows that the college faculty always is in support of the student's continuous education by providing them study material, e-resources and online video lectures as in YouTube and additional MOOC platforms.
13. The alumni were of the view that college placement cell will be very helpful to ensure the flow of job opportunities to the students, however there has to be an improvement in the placement procedures for the students, post training and passing out from the college.
14. The alumni feedback report shows that the college regularly organized several programmes, seminars, conferences, cultural events, student exchange programmes covering diverse themes for the overall development of the students, and this also has brought laurels to the college and the district at large.
15. The alumni feedback shows that the passing out students of the college consider themselves a proud alumni, and the society at large approves them of being an asset for the people and future generations.
16. The feedback report also highlights that the college has established different committees that have a proper mechanism for resolving the grievances of the students on individual basis.
17. The feedback report also shows that the college has proper and efficient mechanism for resolving the grievances of the alumni on fast-track basis.
18. The alumni report shows that the college follows a teaching-learning process that is well in tune with the guidelines of NEP-2020, however there is need for the evolution of the same according to the developments on the national and international level.
19. The alumni through the feedback also emphasized the fact that they always available and willing to participate in any of the alumni activities, or otherwise that are organized by the college, and the college has their total support.
20. The alumni also emphasized that there is need to organize student education programmes and campaigns by the college on different contemporary themes, like – global warming, climate change, hazards, disasters and disaster management, gender sensitization, energy efficiency, sustainable development etc. This will ensure the sensitization of the school going children, who will be the ambassadors of change for the Nation.

Annexure V: Action Taken Report of Student's, Teacher's, Alumni's Feedback of the Year 2022.

Subsequent to the feedback submitted by all the stakeholders, the following decisions have been taken by the college administration regarding the quality initiatives, sustenance and enhancement of the Teaching Learning Process:

- I. The Academic monitoring Committee, which has been constituted by the college administration monitored the academic activities throughout the year. In particular, the daily routine of Class work, teaching learning process, curriculum implementation, and time bound assessments. The College Administration has directed the continuous and regular monitoring in letter and spirit.
- II. The Heads and Coordinators of different departments and courses submitted the daily report of Class work as directed by the College Administration, on the basis of the reports, the departments were directed to implement the measures to fill the gaps wherever present. The departmental best practices were promulgated for their complete adoption, and Best-Practices Committee was constituted oversee this.
- III. On the basis of the recommendations of the College Student's Welfare Club, Student Ambassadors were elected to look into the students affairs at the grass-root level, this will ensure the remediation of the grievances and queries from the students in a time-bound manner. The Club has been empowered to communicate the grievances to the college administration through the student ambassadors who are part of different college disciplinary committees.
- IV. The Discipline Committee has been constituted by the college administration, the committee comprises of all the faculty members, guest faculty, non-teaching staff, and LFEs. A weekly duty roster is framed for different groups (headed by a Group Leader). The committee shall ensure the maintenance of overall discipline of the college. The Committee has been entrusted with ensuring the behavior by instruction and practice, especially to teach self-control to the students by organizing counselling sessions.
- V. The Convener Academic Affairs has been directed by the Principal to prepare an Institutional Developmental Plan and Institutional Strategic Plan for the implementation of the NEP-2020. In addition to the earlier 6 under-graduate courses, viz. Music, Water Management, Psychology, Public Administration, Biochemistry, Food Science and Technology and PG Commerce, 37 New Programmes have been initiated in the college under NEP-2020. The Principal also directed all the HoDs and Coordinators of the College to prepare the curriculum of the concerned courses according to NEP-2020.
- VI. The session 2022-23 being the "Year of Academic Excellence", will see the overall development of the academics in the college under the aegis of the Academic Affairs Committee that very strictly will be monitoring the academic affairs in the College, additionally the feedback monitoring will also strictly implemented. The implementation of 'Best Academic Model' and 'NEP-2020' has been the highlight of this session.
- VII. Several collaborations, involving academia and industry, and linkages and MoUs with reputed organizations and agencies were finalized. This ensures the experiential learning of employability of the students of the college.
