**POST GRADUATE DEPARTMENT OF PHYSICS
UNIVERSITY OF KASHMIR, SRINAGAR-06**

The Principal,
Govt. Boys College, Anantnag

Subject: *Resonance Science Outreach Programme* jointly organized by the University of Kashmir, Srinagar and the Indian Academy of Sciences, Bangalore at University of Kashmir, Srinagar (October 10-14, 2023); Selection as co-host

Dear Sir/Ma'am,

We are privileged to host the Indian Academy of Sciences (IAS) sponsored Science Outreach Program at University of Kashmir, Srinagar from October 10-14, 2023. More than 30 lead scientists, from all disciplines of basic science, have confirmed their arrival.

Since the main event is held at University of Kashmir, Srinagar, we felt that the far off colleges would be under represented. With this in mind, we requested some of the invited speakers to reach out to the far off colleges so that the basic purpose of outreach is well served.

We are pleased to inform you that your college has been selected as one of the hosts where we could be sending a couple of resource persons for Science Outreach. All students, mainly in any stream of science, technology, engineering and mathematics, may listen to the invited speakers at your own College. You are requested to keep your auditorium (with projector) available on the date that shall be communicated to you well in advance. We would be grateful to receive a word of confirmation from your end.

Yours sincerely,

Prof. Manzoor A. Malik
(Chair LOC, Resonance Outreach)
On behalf of National Organizing Committee
