Madam

Sir/ Madam

With reference to the above cited subject, received by the undersigned vide letter No. DC HE/2022/157 Dated 14-11-2022. Following suggestions are put forward for the safeguard of environment:

- 1) Consolidate Environmental legislation, and integrate with Natural Resource Planning and management legislation
- Improve coordination and cooperation; clarify roles and responsibilities between departments, agencies, ministries and levels of govt.; designate single and accountable organization
- 3) Address identified knowledge gaps; clarify linkages between environmental management, including climate change impacts
- 4) Scale up eco-compensation programs for environmental management and broaden the participation of commercial entities and communities
- 5) Promote knowledge sharing ideas through different platforms like organizing seminars, workshops, conferences regarding the conservation of environment.
- 6) Field visits, Eco trips for the students to get the first hand information regarding the conservation
- 7) We should promote subscription of "Down To Earth" Journal in the college library which has already been initiated by Govt. of India with main objective to sensitize the college students and faculty about environment, health and sciences. This will also prove as an important tool in promoting awareness to various concerned stakeholders.

Besides our college has taken some important measures for the safe guard of Environment
