

### **6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes**

The IQAC (Internal Quality Assurance Cell) of the college is dedicated to improving and maintaining the quality ecosystem in the College. The IQAC holds regular meetings to plan, direct, implement, and evaluate the college's teaching, research, and publication activities. It impresses the faculties for enriching their teaching skills to impart quality education to its educates. The IQAC of the College has also recommended to the head of the institutions to introduce Ad-On and skill enhancement courses to make educates of the college fit for the market. The IQAC of the college acts as a catalyst in driving the overall Infrastructural development of the Institution. The IQAC serves as an effective internal coordination and monitoring mechanism, playing a crucial role in maintaining and enhancing institutional quality.

Significant improvements in quality enhancements have been made by institutionalizing the following IQAC initiatives:

- Teaching and Learning
- Academic facilities.
- Student soft skills development
- Placement support
- Faculty development programs.
- Research and development
- Interaction with industry.
- Infrastructure augmentation: -
- Introduction of PG Courses: Department of Chemistry and IT was successful in starting PG courses in Chemistry and IT from academic session 2023-24 in the college.
- Short term skill-oriented training courses for the students: - The IQAC in collaboration with the department of Botany and Seed technology arranged the Short training courses on Vermicompost technology and Production and marketing of hybrid maize sweet corn for the students of the college.
