

The Director Planning
Higher Education Department
Civil Secretariat Jammu,
UT of Jammu and Kashmir.

Sub:- Submission of Annual Action Plan for the year 2022-23.

Ref:- No: HED/PLNG/41/2022-03; dated: 10-02-2022.

Sir

Referring to the above mentioned subject, the DPRs regarding all the proposed works to requested to be taken up during the year 2022 are submitted for favour of necessary action and perusal at your end sir.

S.No.	Name of the work	Name of the Executing Agency	DPR cost of the work	Reasons / justifications why the work is proposed
1.	Drainage System in the college	R&B Division Anantnag	90.00 lacs	The entire college campus is without drainage system.
2.	Macadamization of inner roads of the campus	R&B Division Anantnag	32.00 lacs	All the roads within the campus are severely damaged.
3.	Construction of IT Hub (Skill)	SICOP	484.87 lacs	College has been designated as Hub College for all skill courses related to IT Computers and Electronics
4.	Equipments for Mass Communication and Journalism Hub	SICOP	29.67 lacs	College has been designated as Hub College for all skill courses related to Mass Communication and Journalism
5.	Design of classroom cum computer labs in Multistorey Science Block	SICOP	67.23 lacs	The Computer Application department has to be shifted to newly constructed Science Block. Hence, desired labs need to be made ready for practical work.
6.	Renovation and electrification of old Science Departments	SICOP	110.87 lacs	All the Science Departments buildings need immediate renovation / repairs as the building has developed cracks during the 2014 floods. Also the electrification system of the buildings is totally damaged.
7.	Installation of Gas Pipeline	Birtco Designers and Consultants	10.15 lacs	The Chemistry Department has to be shifted to newly constructed Multistorey Science Block and gas fitting is required to be installed in the laboratories for practical's
8.	Fixing of Garden Benches along with roof truss to College Playground	SICOP	99.54	No seating arrangement is available around the college playground. Hence, fixing of Garden benches along with roof truss is immediately required

Sincerely yours

Minutes of the Meeting

A meeting of the Development Committee of the College was convened in the Department of Chemistry on 22/02/2022.

Agenda of the meeting:

- i. Discuss action plan and DPR's.
- ii. The members took active part in discussing the agendas and resolved the following:
 - I. It was agreed by all that though in the action plan 2020-2023, a number of works are to be executed, but the DPRs for most of the intended works have been received from only one executing agency.
 - II. It was resolved by one and all that more executing agencies need to be approached, at least for each work, there should be three DPRs so that a right estimate (in terms of cost can be made).
 - III. Keeping in view the urgency in the submission of Annual Action Plan 2022-23, it is suggested that the plan be submitted to the higher authorities for approval subject to the required DPR'S to be obtained from other agencies before the execution of works.
 - IV. With regard to the macadamization of inner roads of the college campus, the DPR has been received from R & B Division, Anantnag only as there is no other agency available to take up this work.
 - V. Since, in the installation of gas pipeline in new science block, there is possibly only one registered executing agency, Britco -Designers and consultants, whose DPR has been received, but members emphasized that efforts shall be made to see whether there is any other registered executing agency and if there are, they shall be approached for DPRs
 - VI. The members decided mutually that the Accounts Section of the College shall be taken on board and their prior approval shall be sought as the matter is more financial and technical.

Submitted for approval.

Convener Development Committee 22/02/2022
