Report on Gender Sensitization Awareness Lecture

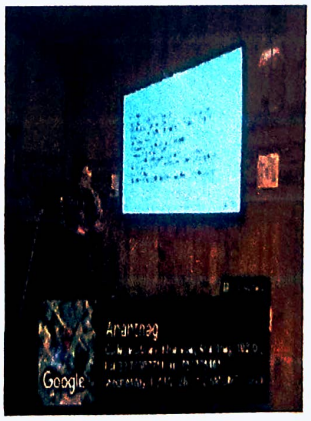

The GSASH Cell of SHMM Government Degree College, Anantnag, organised an awareness lecture on "Consent and Women's Agency: Creating Safe Spaces, Strengthening Institutional Redressal Mechanisms and Promoting Gender Equity for Women and Girls" on 11th November 2026 in the Conference Hall of the College.

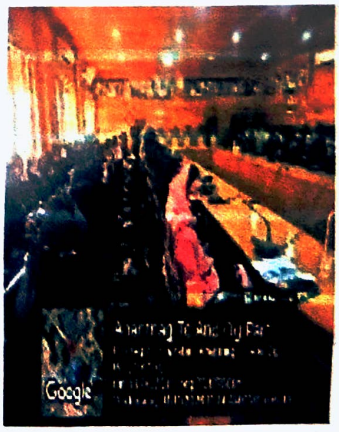

The programme commenced with the opening remarks by Prof. Ruqayah Shakeel, Convener GSASH, who highlighted the importance of gender sensitization, mutual respect, consent and the collective responsibility of educational institutions in ensuring a safe and inclusive campus environment.

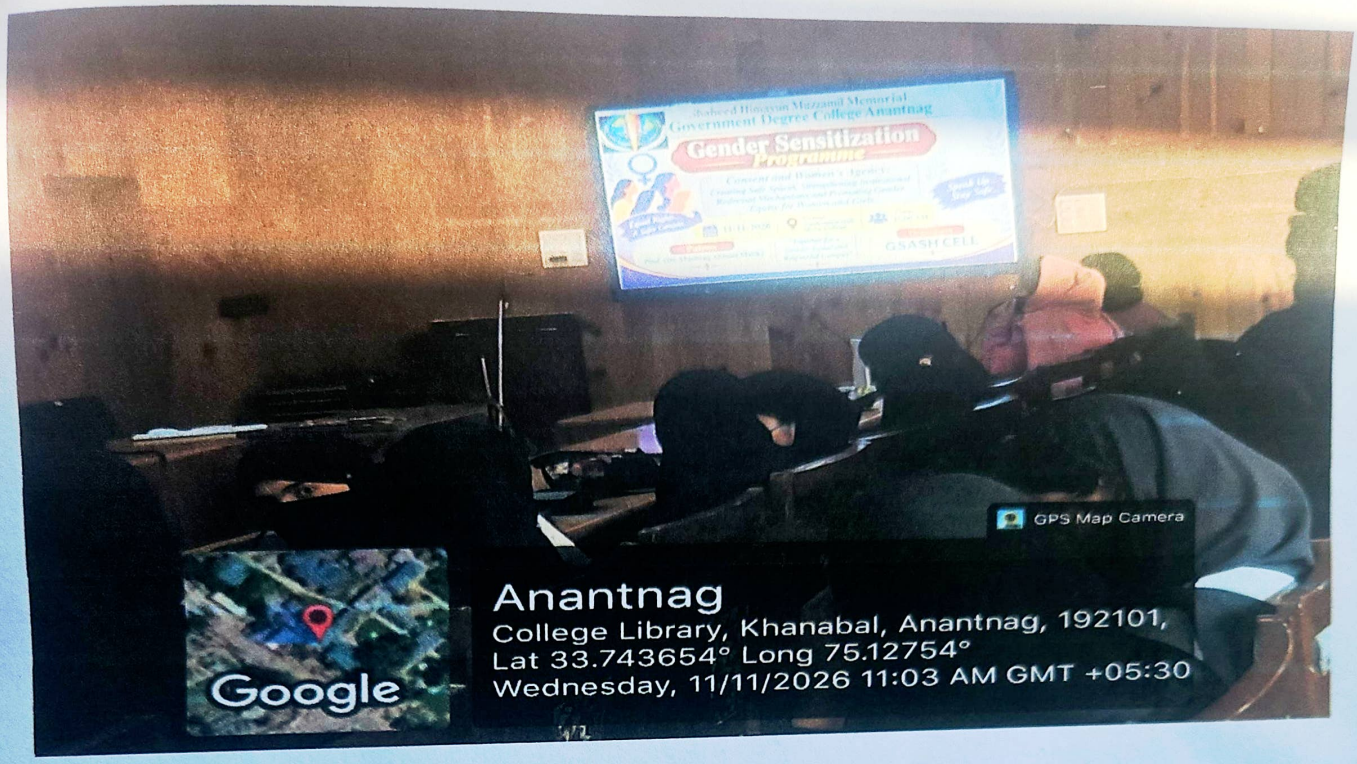

The resource person, Prof. Ambreen Gul Head, Department of Political Science, delivered an insightful lecture on women's agency, individual autonomy, informed consent, gender equality and the prevention of sexual harassment. She also elaborated on the provisions of the POSH Act, 2013, the functioning of Internal Committees, complaint redressal mechanisms, confidentiality and principles of fair inquiry. Emphasis was laid on recognising harassment and discrimination and creating a campus environment based on dignity, equality and mutual respect.

Prof. (Dr.) Mushtaq Ahmad Malik addressed the gathering and emphasised the importance of awareness, institutional responsibility and collective efforts in promoting gender equity and ensuring a safe educational environment.

.

The programme was anchored by Ms. Rashe Sabzar, 5th Semester student, Department of Political Science, while the formal vote of thanks was presented by Prof. Muzamil Jan, Head, Department of Economics. The programme concluded with a message that gender sensitization is not merely an awareness initiative but a collective commitment towards building a respectful, equitable and safe institutional environment
