Dated: 25-08-2026

NOTICE

Subject: Assigning of Roll numbers, Allocation of Minor, MDC and Skill Courses

All 1st semester students (batch 2026) are informed that the **allocation of Minor, MDC and Skill courses was completed on 22-08-2026** on the basis of **merit, student preferences and college feasibility**. Students shall log in to their respective student accounts on the JK Admissions Portal, check their allotted subjects and pursue their classes accordingly.

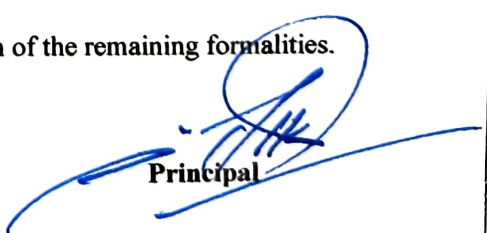

It has been observed that some students are repeatedly approaching the concerned authorities, directly or through others, seeking changes in their allotted Minor, MDC, Skill courses, etc. Such repeated requests are making it increasingly difficult to accommodate further changes while ensuring compliance with the **University of Kashmir statutes**, particularly with regard to avoiding **MDC and Major-Minor conflicts**. Certain MDC/Minor/12th-class conflicts identified during the review are being addressed, and necessary modifications shall be incorporated accordingly.

Students are therefore requested to **treat the allocation process as final** and refrain from visiting, calling, or asking anyone to approach the concerned authorities on their behalf for further changes. **No individual requests for alteration of the existing allocation shall be entertained.**

Roll numbers have been assigned to all students **except those whose document verification is pending or whose student details require correction**. The Administrative Department shall **take the final decision in cases requiring correction of student details**. Meanwhile, all students whose physical verification is pending are directed to complete the same by **27-08-2026 as per the following schedule (Annexure A)**.

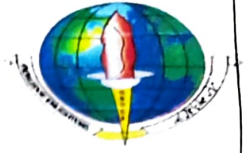

All students are requested to cooperate and ensure timely completion of the remaining formalities.
