PRESENTATION TOPICS

S. No.	Student Name	Date	Presentation Topic
1	Gulal	19-10-2026	Decision Statements
2	Mashqoor	19-10-2026	Accessing Data with ADO.NET
3	Saba Mehak	19-10-2026	Common Language Runtime (CLR)
4	Mohsin	19-10-2026	Windows Programming: Menus and Dialog Boxes
5	Tawqeer	2010-2026	Architecture of ADO.NET
6	Kamil	20-10-2026	Decision Statements
7	Mehreena	21-10-2026	Framework Class Library (FCL)
8	Basit	21-10-2026	Reference Data Types up to Dynamic Arrays
9	Basila	22-10-2026	Arrays
10	Tajamul	22-10-2026	Decision Statements
11	Nehal	23-10-2026	ADO.NET
12	Aasif	23-10-2026	Value Data Types
13	Karan	24-10-2026	Elements up to Program Flow
14	Azaan	24-10-2026	Decision Statements

1. Each student must prepare a PowerPoint presentation (PPT) on the topic assigned to them.
2. The presentation must be delivered using the IT lab projector.
3. The PPT must contain an adequate number of slides at least 10 slides
4. Each presentation carries **5 marks**.
5. Students must prepare their presentations carefully and explain their topics clearly.
6. Each student should prepare their own presentation and avoid copying another student's work.
