ONE-DAY EDUCATIONAL TOUR TO PAHALGAM

The Department of Physics, SHMM Government Degree College, Anantnag, organized a one-day educational tour to **Pahalgam** on **16 September 2026**. The tour was organized with the aim of providing students with an opportunity to learn beyond the classroom, observe nature, and develop a better understanding of the physical environment through direct observation and experience.

The tour began from SHMM Government Degree College, Anantnag, in the morning. After reaching Pahalgam, the students explored the scenic surroundings under the guidance of the faculty members. The natural environment provided an excellent opportunity to observe various physical phenomena and geographical features. Students discussed topics related to environmental conditions, water flow, atmospheric changes, and the interaction between natural processes and the surrounding ecosystem. The visit also helped students appreciate the importance of observation and practical learning in understanding scientific concepts. After spending the day at Pahalgam, the group began its return journey to Anantnag. The tour concluded successfully and everyone returned with pleasant memories and valuable learning experiences.

The one-day educational tour to Pahalgam was an enriching and memorable experience for the students and faculty of the Department. It provided students with an opportunity to connect classroom learning with real-world observations while also enjoying the natural beauty of the region.
The Department appreciates the efforts of the Principal and Convenor tour committee in organizing the tour and providing students with such an opportunity for experiential learning.
