Report on a program regarding Drug De addiction

Department of Political Science organized an interactive session with students of Second Semester in Humanities Block on 16th June 2025 at 11:00 am, on the theme "Drug Deaddiction". The students were made aware, and also discussed the problem of Drug abuse and how it could be eradicated through de addiction programs, and removing the stigma attached to it to facilitate the rehabilitation of affected individuals. The students expressed their opinions about the issue, and how it was becoming a major problem in our society. Some students also explained the dangers of drug addiction and its debilitatory effect on our social structure. Relationship between crime and drug addiction was also pointed out in the discussion. The faculty members of the Department of Political Science facilitated the discussion.
