GOVERNMENT DEGREE COLLEGE (BOYS), ANANTNAG
DEPARTMENT OF ENVIRONMENTAL SCIENCE REPORT ON ONE-DAY DEPARTMENTAL TOUR TO PAHALGAM
Date: 21 October 2026 | Venue: Pahalgam, Jammu & Kashmir

The Department of Environmental science Government Degree College (Boys), Anantnag, organised a one-day Subject tour to Pahalgam on 21 October 2026. The tour aimed to connect classroom learning with real-world economic activities, particularly Eco-tourism, employment generation, local livelihoods and Sustainable Livelihoods.

Students were encouraged to consider how tourism supports transportation, hospitality, trade and other local services, creates income and employment, and contributes to regional economic activity. The visit also highlighted the need to protect natural resources and promote environmentally responsible tourism. The tour offered students an opportunity to relate economic concepts to practical situations and strengthened peer interaction and collaborative learning outside the classroom. It reinforced the importance of tourism as a potential driver of local development, while underscoring that its long-term benefits depend on environmental conservation and sustainable management of resources. Overall, the visit was a meaningful academic and experiential learning activity.
