ReportofEnvironmentalAwarenessWeekCelebrationson15th June,2026

The college enthusiastically celebrated **World Environmental Day, 2026** under the global theme **"EndingPlasticPollution"** on15th June,2026.Atotalof98studentsofthecollegeparticipatedin the event. The event was attended by all the faculty members of the Dept. of Botany and Dept. of Environmental Science. The celebrationaimed toraise awareness among students and staff about the harmful impacts of plastic pollution on ecosystems, wildlife, and human health, while promoting sustainable environmental practices.

Theeventcommencedwithan welcomeaddress byDr.UbaidYaqoob,HODBotanyandaninaugural speech by Dr. Peerzada Yasir Yousuf.A **Documentary Screening** was organized in the College Conference Hall. Thedocumentary highlightedthealarming effects of plastic waste on oceans,rivers, landecosystems,andbiodiversity.Italsoshowcasedsuccessfulinitiativesundertakenbycommunities around the world to reduce plastic consumption and promote eco-friendly alternatives. The screening generated meaningful discussions among students regarding their role in protecting the environment.

An **Awareness Lecture** was delivered by Prof. Saima Munshi, HOD Environmental Science who emphasized the significance of sustainable lifestyles, responsible waste management, and the reduction of plastic usage in daily life. The speakers encouraged students to adopt environmentally conscioushabitsandbecomeambassadorsofchangewithintheircommunities.Thelectureprovided valuable insights into environmental protection measures and inspired participants to contribute actively towards a cleaner and greener future.

A major highlight of the celebration was the **Cleanliness Drive** conducted across the college campus. Students,teachers,and non-teaching staff participatedenthusiastically inthe activity. The participants collectedplasticwasteandotherlitterfromvarioussectionsofthecampus,reinforcingtheimportance of cleanliness and environmental responsibility. The drive successfully promoted the message that maintaining a clean environment is a shared duty.

Toencouragecreativityandenvironmentalawarenessamongstudents,a **PaintingCompetition**was alsoorganized onthetheme "Ending Plastic Pollution." A largenumberof students participated and expressed their concerns, ideas, and solutions through vibrant and thought-provoking artworks. The paintings reflected the harmful consequences of plastic pollution and emphasized the need for sustainable alternatives. The competition provided a platform for students to showcase their artistic talents while spreading awareness about environmental conservation.

Theeventconcludedwithapledgebystudentsandstafftominimizeplasticuse,promoterecycling, and adopt environmentally friendly practices in their daily lives. The observance of World Environmental Day 2026 was a great success and effectively fostered environmental awareness, responsibility, and commitment among the college community.

TheeventconcludedwiththevoteofthanksbyProf.Basit Reshi.
