~ EVENT REPORT ~

Celebration of Wildlife Week & World Animal Day

1st–7th October 2026

The Department of Zoology, SHMM Government Degree College, Anantnag, organised a week-long programme from 1st to 7th October 2026 to celebrate Wildlife Week (1–7 October 2026) and World Animal Day (4 October 2026), as notified vide Notice No. 07/CCA/26 dated 28/09/2026. The programme aimed to create awareness about wildlife conservation and the welfare of all animals through the One Health approach, recognising that the health of people, animals and the environment is interlinked.

Event Details

S.No.	Particular	Details
1.	**Event**	Celebration of Wildlife Week & World Animal Day
2.	**Theme**	One Health, One Planet: Wildlife & Animals
3.	**Organised by**	Department of Zoology, SHMM GDC, Anantnag
4.	**Period**	1st–7th October 2026 (Whole Week; World Animal Day on 4 October 2026)
5.	**Venue**	Lecture Hall, Department of Zoology
6.	**Programme**	Expert Talk; Student Talks & Discussions on Wildlife Conservation & Animal Welfare
7.	**Expert / Resource Person**	Prof. Sayar
8.	**Participants**	Students and faculty, Department of Zoology

Objectives

- To sensitise students about wildlife conservation and the welfare of all animals.
- To promote the One Health approach linking human, animal and environmental health.
- To encourage students to present talks and participate actively in discussions on wildlife conservation and animal welfare.

Proceedings

Throughout the week (1–7 October 2026), the Department observed Wildlife Week and World Animal Day in the Lecture Hall, Department of Zoology, where students attended in time and participated actively. The Expert Talk was delivered by Prof. Sayar, who spoke on wildlife conservation and animal welfare in the light of the One Health approach, highlighting how the health of people, animals and the environment is interlinked. Student Talks & Discussions on Wildlife Conservation & Animal Welfare followed, during which students shared their perspectives and interacted with the resource person.

Outcome

The programme raised awareness among students regarding wildlife protection and animal care, and strengthened their understanding of the One Health concept. Students were inspired to uphold the message of respecting every life and taking responsibility for conservation and animal welfare.

Glimpses of the Event

Students of the Department of Zoology participating in the Wildlife Week & World Animal Day programme.

"Respect every life – protect wildlife, care for animals."
