

1. Name: Dr. Mohd Azhar ul haq
Assistant Professor in Geology, Higher Education Department, Govt. of
Jammu and Kashmir. SHMM-Govt. Degree College, Anantnag
2. Father's Name: Sh. Ab salam bhat
3. Permanent and Postal Address: 76, Aarigutnoo tehsil: Pahloo, District: Kulgam
-192231.

Mobile: +919682647522

E-mail: azharulhaq3gmail.com

4. Nationality: INDIAN (Male).

5. Date of Birth: 1st June 1992.

6. Educational Qualifications:

- a) B. Sc (Hons.) Geology (2012), Aligarh Muslim University, UP, India.
- b) M. Sc. Applied Geology- (2014), Aligarh Muslim University, UP, India.
- c) NET- JRF (2014), Council of Scientific and Industrial Research (CSIR), India.
- d) Ph. D. (2022): Pondicherry University (PU), India

Supervisor: Prof. S. Balakrishnan (Pondicherry University)

Research Topic: Geochemical and geochronological studies on the rocks of
Madras Block, Southern Granulite Terrane, India

- 7. Field(s) of specialization:**

Petrology, Mineralogy, Geochemistry and Radiogenic Isotope Systematics

8. Research Interests and Expertise: Major- Minor, Trace and Rare Earth
Element Geochemistry, Source Rock Geochemistry and Geochronology of
granitoid rocks. To understand the formation of lower and middle crustal rocks and
its role in crustal differentiation.

9. Total Experience: Three (3+) Years

a) Teaching-

Assistant Professor/Lecturer (on contract), Department of Geology, Government Degree college, Kulgam(2022-2023)

Department of Geology, Government Degree college, Shopian (March – August 2024).

Presently posted as full-time Assistant Professor in GDC Anantnag since August 2024.

Courses Taught: Structural Geology; Petrology, Hydrogeology, Sedimentology, geochemistry, Engineering Geology, Paleontology, Stratigraphy, Environmental Geology, Geochemistry , Geochronology.
