INNOVATION, INCUBATION & ENTREPRENEURSHIP CELL (IIEC)
SHMM Government Degree College Anantnag

Report

Theme:"One day awareness program on Intellectual Property Rights (IPR) and Patent Filing"
Date: 31st July 2025
Venue: Conference hall

The Innovation, Incubation & Entrepreneurship Cell (IIEC) of SHMM Government Degree College Anantnag in collaboration with departments of Information Technology & Biotechnology organized One day Awareness program on the theme"Intellectual Property Rights (IPR) and the patent filing." The resource person for the session was Dr. Shabir Ahmad Parra, Associate Professor Department of electronics and instrumentation technology University of Kashmir. The session was attended by faculty members and students across different disciplines of the college.

Prof. (Dr.) Mushtaq Ahmad Malik worthy Principal of the college in his welcome address emphasized the critical role of innovation in the academic and entrepreneurial ecosystem. Prof. Malik highlighted the need for students and budding entrepreneurs to recognize the importance of protecting their intellectual assets. "Innovation drives progress, and patent filing is an essential step in safeguarding one's ideas," said Prof. Malik. "As we advance in an era of rapid technological growth, it is vital that we equip our students with the knowledge and tools to not only innovate but also protect their creations and turn them into successful ventures." While introducing theme of the program Dr.

Dr. Adfar Yousuf, President IIEC and Assistant Professor Department of Biotechnology, highlighted the vital need to sensitize both the teaching and student communities about the dynamics of intellectual property and patent filing. Dr. Adfar pointed out that IPR awareness is an essential component of academic and professional growth, encouraging both faculty and students to engage with the evolving landscape of innovation protection. She urged that understanding how to protect the intellectual output is not only relevant but essential. She further added that IIEC of the college is committed to promote the culture of innovations and entrepreneurship within our academic environment.

The key session was conducted by Dr. Shabir A.Parah, a distinguished expert in the field of Intellectual Property. Dr. Para provided a comprehensive overview of various types of intellectual property, including patents, trademarks, copyrights, and designs, emphasizing the legal procedures and benefits of securing patents for inventions."Innovation is the backbone of entrepreneurship and understanding how to protect your intellectual property is crucial for any inventor or entrepreneur," said Dr. Shabir A. Para. Dr. Para also guided participants through the patent filing process, offering practical insights into the steps, challenges, and legal nuances involved. The attendees enthusiastically engaged in a dynamic Q&A session, where Dr. Para addressed queries related to patent law, the role of intellectual property in startups, and common pitfalls innovators face.

The session was compered by Prof. Magray Aijaz, Head Department of Information technology and member IIEC, who emphasized that such programs aim to build a strong patent culture, encouraging students and entrepreneurs to innovate, protect, and commercialize their ideas. The session concluded with a vote of thanks proposed by Dr. Abida, Assistant Professor Department of Physics and member IIEC.
