Purpose: Meeting for Reviewing Criterion-VII

Presenters: 1. Dr. Waheed Khanday

REPORT

The review meeting for Criterion-VII was held as per schedule (Notice: IQAC/23/1495) in the Conference Hall on 22nd August, 2023. The meeting was convened by the Coordinator, Dr. Riyaz Ahmad Shah. In his welcome address, Coordinator IQAC highlighted the importance of improving the quality of IQAC as per NAAC guidelines and he impressed upon the members to fulfil their obligations for the benefit of college. Dr. Waheed Ahmad Khanday presented the grey areas of criteria VII before the core committee members. After extensive deliberations and consultation, various recommendations were put forward:

1. **Installation of Motion Lights/Sensor Based Lights:** The committee resolved that initiatives to install sensor-based motion lights on the electric poles located in the college campus. This initiative will pave the way for sensor-based energy conservation in the campus. (For 7.1.2 Metric)
2. **Purchase of battery powered vehicle/E-scooter:** The committee unanimously resolved that college should purchase battery powered vehicle/E-scooter for the transportation of disabled students within the college campus.
3. **Installation of Wall mounted handrail:** The committee recommended that 'Wall Mounted Handrail' should be installed in different departments for the differently abled students.

4. **Revamping of Women Development Committee (WDC):** The committee members agreed that WDC should be made vibrant and working. There was general consensus that previous performance of WDC was not upto the mark and needs immediate revamp.
5. Establishment of 'Day Care Child Centre' in the Girls Room for the female teaching and non-teaching staff
6. The committee recommended that there should be official policy document with regard to financial assistance to the underprivilege/ needy local fund employees
7. The committee suggested that free of cost general diagnosis of common diseases should be made available in the college. In this connection, some departments having expertise and available infrastructure should be instructed to make general health diagnosis.
8. The committee suggested that 'Water Quality Assessment' as a best practice should be handed over to Department of Water Chemistry for its real implementation.

Vote of thanks was presented by the Dr. Ummer Rashid Zargar.
