Overview

NSS Volunteers of SHMM Government Degree College Boys Anantnag actively participated in a Health and Awareness Camp organized by MyBharat at the Government Medical College (GMC), Anantnag. The initiative aimed to spread health consciousness among the community and provide essential support, reflecting the volunteers' continued commitment to social service and community empowerment.

Proceedings

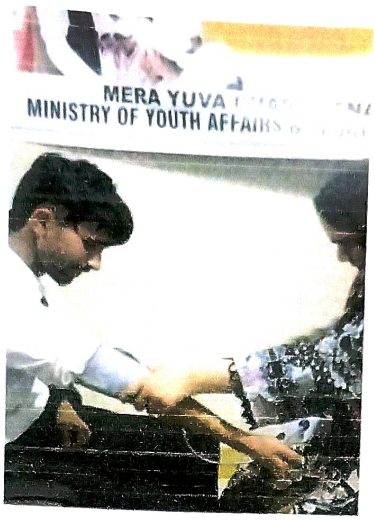

NSS Volunteers extended active support to the Health and Awareness Camp organized by MyBharat, assisting in spreading health consciousness and providing essential support to the community members who visited the camp at GMC Anantnag.

Following the camp, the volunteers undertook a cleanliness drive of the hospital lawn, and also created awareness among the people present regarding the segregation of waste into different dustbins, promoting responsible waste management practices within the hospital premises.

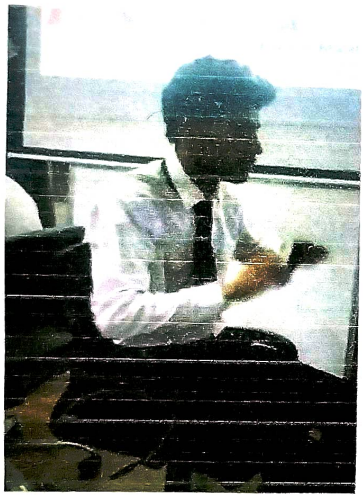

Objectives

- Spreading health consciousness and providing essential support to the community.
- Strengthening the collaboration between NSS Volunteers and MyBharat for community welfare initiatives.
- Promoting cleanliness through the cleaning of the hospital lawn.
- Creating awareness about the segregation of waste into different dustbins for responsible waste management.

Conclusion

The Health and Awareness Camp at GMC Anantnag, organized by MyBharat with the active participation of NSS Volunteers of SHMM Government Degree College Boys Anantnag, was successfully conducted. The event, followed by the cleaning of the hospital lawn and awareness on waste segregation, reflected the volunteers' dedication to empowering communities and promoting health, cleanliness, and social responsibility.
